

Congress Document No. 12

Opinion of the Central Committee on LÍV's proposal on the work of the Future Committee

The ASÍ Central Committee endorses the views and arguments underlying the proposal but proposes that, rather than adopting the proposal, the 47th Congress, in accordance with paragraph 2 of Article 2 of the Rules governing the operation of the ASÍ office¹ dated 3 February 2026¹, recommend that the Central Committee appoint a Future Committee for the next term of office, tasked with addressing the future and challenges of the labour market and the labour movement.

¹

"The Central Committee appoints standing committees to work with the ASÍ office on the preparation and implementation of the policies of ASÍ between Congresses. The Central Committee shall appoint one of its members to serve on each committee in accordance with more detailed rules adopted by the Central Committee, and that member shall also chair the committee."
